

## **Submission of a proposal for a new title**

**Author Name:**

**Qualifications:**

**Profession:**

**Affiliation (if any):**

**Address:**

**Telephone:**

**E mail:**

**Please attach your proposal, arranged in the following headings, together with a copy of your cv or résumé and return via email or post.**

### **Background**

Relevant general information on the subject area and what has prompted you to undertake the project at this time.

### **Scope**

- A brief summary of the scope of the book - what will it cover?
- Edited or sole author? If edited, from where will the principle contributors come?
- Estimated number of words, chapters, line drawings and photographs.

### **Outline**

Please provide an outline for each chapter and the authors (if contributed).

### **Market**

Please give an idea of the anticipated market for this book.

### **Competition**

Other competing texts in the field – please give details and state why your book is different.

### **Delivery**

Please give an estimate of when you would hope to deliver the manuscript.

### **Reviewers**

Please suggest two colleagues whom we might approach to review this proposal.

### **Publications**

Please give details of any other books that you have written or to which you have contributed.

### **Other information**

Please give any other supporting information about your work or about the book that you think may assist us in our decision.
